Bulldog Nation,

We have had to face and adapt to so many uncertainties and changes in how we do things since the spring of 2020. There have been new challenges and difficulties (giants) around almost every corner. I am proud to say that as a team we have pulled together to support each other and face these changes, challenges, and difficulties. I have faith that as a team we will emerge from all of this better able to face any giant that comes our way. I want to say thank you, students, parents, community, staff, and board for your role on this Bulldog team!

**THIS WEEK**

**SENIOR SPOTLIGHT**

Riley is the son of Tyler and Arizona Heeren. Riley is an exceptional addition to our football program. He came out to be a manager for his senior year and has jumped into different roles as we have moved through this season. It has been an honor, and a privilege, getting to know Riley better this past month. I know that he can accomplish anything when he sets his mind to it.

**RILEY HEEREN**

**BENJI SAUKE**

Benji is the son of Chris and Amy Sauke. I am just getting to know Benji. He is a fantastic young man. It is his first year of football, which shows he is not afraid of new challenges. He is a tremendous addition to the Bulldog Football family. Benji plans on studying engineering in college but has not decided on a college or university.

**JAKIE UTHE**

Jakie is the son of Chris and Veronica Uthe. He is one of the hardest workers, and one the nicest players, that we have in our football program. He never misses a workout, or a practice, if at all possible. This is just an example of the type of person he is, he accepted a position change two years ago when I got here, and he has worked hard to learn that new position and to try to master it. This shows his character and his dedication, and that will take him a long way in life. Jakie's future plans are to attend Central College and major in Sports Science.

**JORDAN SEVERS**

Jordan is the son of Steve and Melinda Severs. He is a naturally gifted receiver, but that doesn't mean he doesn't work at it. He is a student of the game and is always trying to make himself better, to help make the team better. He is a team-first athlete. Jordan is undecided about his plans after high school.

# THANK YOU BULLDOG BOOSTERS

## BULLDOG CLUB 2020-2021 MEMBERSHIP DRIVE

The Bulldog Club membership drive is going on now! Bulldog Club donors support the student participants of Hampton-Dumont-CAL activities through the purchase of equipment and uniforms.

### WHAT IS THE BULLDOG CLUB?

The Bulldog Club was formerly known as both the Bulldog Athletic Booster Club and the Bulldog TV club. Both of those entities (and funds) have been combined to form the singular Bulldog Club. The funds that were donated to either of the aforementioned clubs have been rolled into this fund. Additionally, all donors who contributed last year will have their benefits rolled over to the 20-21 school year in light of the shortened school year and canceled activities.

### WHAT DO I RECEIVE FOR DONATING?

As a donor, there are a variety of options for benefits including recognition in programs and/or the yearbook and advertising on the website or Bulldog TV broadcasts. There are also benefit tiers that include free season passes to all activities and athletic events. Businesses can also make arrangements for banners to be hung at events and for announcements at games as a donor benefit.

### HOW DO I DONATE?

Contact the District Office at (641) 456-2175. You may also email Activity Coordinator Christi Weiser at [cweiser@hdcsd.org](mailto:cweiser@hdcsd.org) with questions.
