Sheffield Council Minutes 7.14.25

Council Proceedings Regular Session Minutes-Unapproved

Monday, July 14th; 6:00pm
The Sheffield City Council Regular Session was called to order at Sheffield City Hall by Mayor Brad Mulford, at 6:00PM on Monday, July 14th, 2025. Council Members in attendance were Becky Moellers, Julia Showalter, James Robbins, Ryan Kruger, and Sherri McGuire; also, in attendance was Patrick Nuehring, Public Works Director, Eric Meyer, Public Works Assistant,

and Andrew O'Connor, Police Chief.

Mayor Mulford led the Pledge of Allegiance.

Moellers made a motion to approve the agenda. Showalter seconded it; it

was approved with Kruger.

Mayor Mulford announced that it was the time and place for the public comment. A resident came in to talk about commercial trucks that are parked in a residential yard. They asked if this was legal to be done. They continued to speak about some issues with that neighbor that has led to having a surveyor coming to mark property pins and a fence will be going up. They asked how close to the property line a fence can be; which is up to the property line but not on the line. They will continue to speak with Chief O'Connor on everything else.

Moellers motioned to approve the consent agenda, McGuire seconded the motion, and it was approved with Kruger absent. Those items approved in the consent agenda were: 6/9/25 Regular Session Minutes, July 2025 Bills, June 2025 Finance, ABD Casey's, and ABD - West Fork Wharf. Mayor Mulford asked for any department updates. n/a

 WHKS met with fire station committee. The discussion on the building was that it is to be a fire station and will not have a community center on it at this time. Roughly estimated that fees could be \$30,000-\$50,000. Rural Fire offered to help splitting costs to get engineering moving. The council questioned if the entire hayfield needs to be used for the location or could half be used. At this time, the council is not ready to move forward with the engineering. They would like to invite the residents to talk about if a new fire station is wanted and for the fire department to bring a solid plan on where the funds would be coming from. This will be brought back in October for

•There were no numbers available at the time of the meeting for costs to lay dirt and hydro seed along the roads from the first road project. Public Works Director will reach out the Heartland to see if a quote could be done prior to August's meeting. This will come back to the August meeting.

· Chief O'Connor stated he would like to start working on donations and fund raising after the bike rodeo on July 28th. He asked if a new fund could be setup so money can start to be donated and placed in this account. This will come back for approval in August. **New Business**

· Chief O'Connor would like to see if two stop signs, going east and west, could be added on Maple St. at S 6th with two more stop signs, going east and west, added on S 3rd St. and Maple St. Kruger motioned to approve four new stop signs on Maple Street at S 6th St and S 3rd St. Showalter seconded it; and it was approved with Robbins abstaining.

 Chief O'Connor reached out to the City of Latimer to see who they used to do code enforcement. They currently have Leon Root helping 6-7 hours a month at \$21.00/hr. At this time the city council will not move forward with

Moellers seconded it; and it was approved.

 There was discussion on adding in a policy for electric scooters.
