Balance Report with any directed to the Clerk.

Under old business, f discussed the completion of the sidewalks and alley. Wayne has a de-icer that he will be spraying on the sidewalks so the snow removal won't harm the nice work done by Principal Builders.

Under routine maintenance issues. Wayne reported that we have 3 - 8 foot picnic tables and 2 - 6 foot picnic tables for sale. As Catherine reported, replacement tables were purchased for East Park so the sale of the old picnic tables will be first come first serve. The tables are located at City Hall, so if you are interested in purchasing a table, please see Wayne or Melissa. Prices for the tables are \$75 for the 8 foot tables and \$50 for the 6 foot tables.

MidAmerican Energy sent the City an agreement requesting \$745.87 before the work for the emergency pump will be completed. De-Bour made a motion to approve the agreement and payment to MidAmerican and was seconded by Koenen. Motion passed unanimously.

Wayne let the council know that the back porch on the community center has water damage and has a cost of around \$600 to fix/replace it. Plagge made a motion to approve this fix on the community center and the purchase of the necessary supplies to do it. This motion was seconded by Koenen and passed unanimously.

After some review of the map supplied for a proposed Quit Claim Deed from Landus Cooperative to the City of Latimer, DeBour made a motion to accept the deed and was seconded by Koenen. Motion passed unanimously.

After discussion on the painting the water tower needs and talking with Jake from Maguire Iron, Plagge wants to get more prices before we make any decisions on the project. There was other discussion on what color to paint it and it was decided to put in the bid posting the alternate #1 of changing the color. He also talked with Trev Murphy about what the City would do for water while the tank is drained for painting and Trev suggested installing a needed valve in the water shed. This valve will be the proper filter needed for when the tower is drained for painting. A motion by Koenen and seconded Plagge was made to approve the installation of this valve. Motion passed unanimously.

Resolution 2021-08 setting the public hearing for the Maximum Property Tax Levy Rate for January 13, 2021 at 7 pm for fiscal year 2022 budget was approved with a motion made by Plagge and seconded by Crooks. Resolution passed with a unanimous roll call vote
